SPEAKERS PROFILE

Rian Geldenhuys, Director: Trade Law Chambers

Rian is an international trade and commercial lawyer with Trade Law Chambers. He has advised numerous countries on their Trade in Services commitments and legislation and has vast experience in assisting the private sector in providing services across borders. He serves on the Law Society of South Africa's Committee on Trade in Services. Rian has completed his BA LLB, LLM (International Trade Law) and MBA degrees at the University of Stellenbosch. He has contributed to numerous conferences and think tanks on the topic of Trade in Services and has lectured at most universities in South Africa on the topic. He is also a lecturer on this topic on all the University of Stellenbosch Business School's MBA programmes.
